Highways England

Cllr R Knill attended the A30 Designated Fund Event on 20th February 2019 and reported back that there is £27M worth of designated funding and the new cycle networks project will receive £17M plus a further £2M from Cornwall Council.

A further £10M has been allocated to 17 other projects in and around the Carland to Chiverton Cross dual carriageway area and the cultural heritage of Zelah and Chacewater were specifically mentioned.

Significant funding has been allocated to:

- Regenerating Wheal Busy
- Various ideas in relation to the Carnhot County Wildlife Site, just south of the A30 overpass at Blackwater.
- The Chacewater Townscape Improvement scheme - although this currently caveated as being funded for design work only at this point and so maybe subject to second tranche funding beyond design.

“Chacewater Townscape Development” working group to be created

Proposed – Cllr B Bailey

Seconded – Cllr S leech

Vote - Unanimous

9. Planning Applications received

PA19/00895

Proposal Construction of replacement garage

Location 1 The Rosary Wheal Busy Chacewater Truro

Applicant Mrs R Sandall

Grid Ref 173966 / 45027

Council have no objections with this application

PA19/01003

Proposal Replacement of the existing stables into a two-bedroom bungalow

Location Land Opposite Truro Tractors Cox Hill Chacewater Truro

Applicant Mr And Mrs C Maddern

Grid Ref 174127 / 43772

Chacewater Parish Council have some concerns with this application; one being that we do not feel that it is a redundant agricultural building but is or was used as a stable block which is not agricultural. We feel that this will create a precedent for other portable buildings across the parish, of which there are many. There are also concerns that access to this area has already been created on the assumption of approval and that a section of Cornish hedge has been removed illegally. Our NDP (currently with the examiner) states that residential development will only be accepted within settlement areas (infill) and that agricultural land should not be used for this type of development. The proposed design of this building does not conform with our NDP design guide.
